EXPERIENCE EXCELLENCE residence

*International Property Awards  
Best Development Category*

Leading developers from across the length and breadth of Europe have been notified of their success in Europe's most prestigious property competition in association with Google and Bloomberg Television. KAYA HOMES is delighted to learn that it is one of the winning companies in two categories.

The gala awards presentation and Property Awards Business Summit will take place on the 22nd and 23rd September at the Park Lane Hotel in London's Mayfair. KAYA HOMES will be presented with the BEST DEVELOPMENT award for TROPICANA RESIDENCE & the BEST PROPERTY award for SORGUN VILLAS.

The event is part of the International Property Awards, which is now in its 17<sup>th</sup> year and has become recognised as the highest standard of excellence throughout the global industry. Attaining two of these coveted awards is evidence that KAYA HOMES is capable of excelling over some very strong contenders within the highly competitive European property arena.

**Turkey is world's fastest growing economy**

Turkey's Q1 GDP growth was recorded at a staggering 11%, the only country in the world to have achieved double digit growth, and higher than that of Argentina at 9.9% and China at 9.4%. At a diplomatic conference in Istanbul, US Secretary of State Hillary Clinton praised the results as indicative of the nation's status as an economic leader in both Europe and the Middle East.
